THE THOMSON PLEDGE

Your safety is an extremely serious matter to us. While we have been helping you plan your trip, our partners around the world have been working tirelessly to implement new health and safety protocols for staff, travelers and members of the community. These new protocols include, but are not limited to, frequent hand washing, social distancing and the use of Personal Protective Equipment when around others outside of your travel “bubble.”

Flattening the curve requires all of us. That is why we are also sharing the Thomson Pledge, our code of conduct designed to help negate the risk of COVID-19 for you, your fellow travelers and the communities you visit. While you are traveling with us, we encourage you to honor and comply with the pledge.

WHEN I TRAVEL, I PLEDGE THAT I WILL:

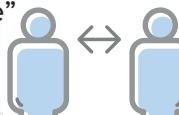

REMAIN INFORMED and adhere to CDC suggestions and government restrictions when traveling domestically and abroad

STAY HOME if I feel sick and contact my healthcare provider if I have any COVID-19 symptoms

MAINTAIN a social distance of at least 6 feet when I am around others who are not in my “bubble”

WEAR a face covering and wear it properly, for my own wellbeing and that of others

WASH or sanitize my hands often, according to CDC guidelines

SHOW patience, kindness and compassion for others wherever I go

Do these things not only for myself but for **THOSE AROUND ME**
